a) Management of processing data relevant to:
–*browsing data:*
The IT systems and software procedures used for the functioning of the Website acquire, during normal use, various personal data, of which the transmission is implicit when using Internet communication protocols.
This information is not collected to be associated with identified data subjects, but by their very nature could allow the identification of users.
This category includes (i) the IP addresses or domain names of the computers used by the users who connect to the Website, (ii) the URI (Uniform Resource Identifier) addresses of the requested resources, (iii) the time of the request , (iv) the method used to submit the request to the server, (v) the size of the file obtained in response, (vi) the numeric code indicating the status of the response given by the server (successful, error) and (vii) other parameters relating to the operating system and the user's IT environment.

Legal basis of the processing: execution of the requested service and correct execution of the contractual relationship relevant to the access to the website;
- statistical data:
The services herein this section allow the Controller to monitor and analyse appropriately anonymised traffic data and keep track of User behaviour.
Legal basis of the processing: our legitimate interest in monitoring traffic data on this website for the purpose of analysing statistical data for market research.
- *personal data:*
personal and contact data may be requested, such as name, surname, e-mail and telephone number to proceed with filling out:
. data collection forms to send a request for a quote or other information;
. data collection form for registration in restricted areas of the website in order to download information or to enter the Reserved Area for getting information about the order handling or other choices;
Legal basis of processing: our legitimate interests to respond to your questions and needs and to inform you promptly regarding the evolution of our Website, changes to our contractual terms and conditions and changes to this Privacy Policy.

b) Direct marketing by the Controller using Newsletters.
The processing is carried out pursuant to art. 6 lett. a) of the GDPR should the provision of the data and consent be expressed by filling out the contact form selecting the appropriate flag or by filling out one of the various application forms for subscription to the newsletter on the site (" unequivocal positive action" indicated in article 4 letter 11 GDPR).
Personal data will be processed by the Controller and Processors for commercial promotional activities carried out by e-mail.
You can request cancellation from our information service at any time simply by sending a request to the address privacy@scab.it or you can follow the instructions indicated in the notes at the bottom of the Newsletter you will receive.
Legal basis for the processing: your consent.

3. RECIPIENTS OR CATEGORY OF RECIPIENTS OF THE DATA

Personal data can be communicated to recipients, appointed ex art. 28 and 4 of EU Reg. 2016/679, who will process the data as Processors and/or authorised natural persons that act under the authority of the Controller and Processor, in order to comply with related contracts or purposes.
The data can be communicated, other than to other Scab Giardino S.P.A. group companies, recipients belonging to the following categories:
– Entities that provide management services for the Controller's IT and communication networks (as third party suppliers of technical services, hosting providers, IT companies, communication agencies, including e-mail);
Parties belonging to the above-mentioned categories carry out the function of Processors, or operate in a completely independent manner as Controllers.
The list of those authorised for the processing and designated Processors is constantly updated and available at the Controller's registered office.
Without prejudice, in any case, to the communication of the data requested, in compliance with the law, by police forces, courts, information and security bodies or other public entities for the purposes of defence or security of the State or prevention, ascertainment or suppression of crimes.

Please note that the database can be provided to the Public Administration upon request made to the party who is legally entitled to have in court and out of court relations with the Public Administration.

4. TRANSFER OF DATA TO A THIRD COUNTRY AND/OR INTERNATIONAL ORGANISATION

Personal and particular data provided **may be transferred** abroad within and outside of the European Union (United States of America, country that participates in the Privacy Shield), only with your express consent and only in the event that it is necessary for the achievement of the purposes set out in points a) and b).

5. RETENTION PERIOD AND CRITERIA

The Controller processes the User's personal data using appropriate security measures aimed at preventing unauthorised access, disclosure, amendment or unauthorised destruction of the personal data.
The Processing is carried out using computerised/non-computerised, and/or electronic instruments using organisational methods and logic strictly relevant to the purposes indicated, guaranteeing a suitable level of protection of the personal data.
In compliance with the provisions of art. 5, subsection 1, lett. e) of EU Reg. 2016/679, personal data collected will be retained in a form that allows identification of the data subjects for a time period not exceeding the achievement of the purposes for which the personal data are processed. To know the criteria at the base of the data retention period, write to the e-mail indicated in point one of this privacy policy.

6. NATURE OF PROVISION AND REFUSAL
